

This architectural elevation drawing shows a long, single-story building with a low-pitched roof. On the left, there is a covered entrance area supported by columns. The building features a series of large, multi-paned windows along its length. Four stylized trees are planted in front of the building, and a small fence is visible near the entrance. The drawing is a line art illustration with some light shading.

An architectural line drawing of a long, single-story building. The building features a series of seven large, rectangular windows with multiple panes, followed by a smaller window on the right. The roof is a simple gable, and the building is shown in a perspective view.
