

This architectural drawing shows the floor plan of a laboratory room. The overall dimensions are 600 cm by 800 cm. The plan includes several key features:

- Entrance:** Located at the top center, labeled "PUERTA: de madera terciada 45mm marco puerta metálico". It has a door swing indicator "R 090" and a "tope de goma" (rubber stop).
- Room Layout:** The room contains two large rectangular tables or workbenches. There are four circular vents or lights labeled "V 100" positioned around the perimeter.
- Bathroom Area:** On the right side, there is a bathroom area labeled "Lavatorio Arica" and "Tocopilla e/estanco Curioo".
- Structural Elements:** A pillar is labeled "PILAR 70x70x4 CINTA". A section line "A-A" is shown at the bottom right.
- Dimensions:** Horizontal dimensions at the bottom range from 100 to 600. Vertical dimensions on the right range from 100 to 800.
- Labels:** "UBICACION TABLERO RELOJ CONTROL" appears twice, once near the top entrance and once near the bottom center.

Technical drawing of a door. The door is shown in a perspective view, with a label '30x30x2' pointing to its edge. The door has a grid pattern of dashed lines. To the right of the door, there is a small square symbol and the text '30x30x2'.

An architectural drawing of a window. The window is divided into four panes by a central mullion and a horizontal transom. The top two panes are smaller than the bottom two. A small circular detail with a cross inside is located in the lower-left pane. The window is set within a frame, and there is a decorative element above it, possibly a pediment or a lintel, with a dashed line indicating a break or a continuation of the structure.
